

SUBJECT INDEX

- A**BO and Rh groupings. Simultaneous — on cards 33
- Acid-base metabolism. On the recognition of disturbances in the — 136
- Agranulocytosis and thrombocytopenia in a case of tetanus treated with curare and chlorpromazine 87
- Amino acid. Cellular — metabolism 158
- Anaemia in chronic diseases of the kidneys 195
- Anaemia. Remissions in pernicious — 89
- Antibodies. Irregular blood-group — 202
- Antigen. Isolation of a cancer-specific — 73
- B**lood bank. Blood grouping in a — by the Eldon method 40
- Blood-group antibodies. Irregular — 202
- Blood grouping in a blood bank by the Eldon method 40
- Bovine tuberculosis. The eradication of — in Denmark 169
- Brucellosis. Trends in — in Denmark.
I. Bovine Brucellosis 65
II. Human Brucellosis 68
- C**alciferol. Treatment of lupus vulgaris with — alone 129
- Cancer of the cervix uteri. The influence of social factors on the prognosis of — 31
- Cancer registry. The Danish — 124
- Cancer-specific antigen. Isolation of a — 73
- Cancer. Uterine — and syphilis 118
- Carcinoma. A case of — in the lacrymal sac 92
- Cellular amino acid metabolism 158
- Chlorpromazine. Agranulocytosis and thrombocytopenia in a case of tetanus treated with curare and — 87
- Chlorpromazine in the treatment of tetanus .. 84
- Cholecystography in patients suffering from acute epidemic hepatitis 8
- Clinical experience with tetracycline 28
- Colloid osmotic pressure. Studies on the effect of dextran on the — of serum in rabbits 117
- Curare. Agranulocytosis and thrombocytopenia in a case of tetanus treated with — and chlorpromazine 87
- D**anish. The — cancer registry..... 124
— The — National Morbidity Survey of 1950. VII 148
— The — National Morbidity Survey of 1950. VIII 213
- Denmark. Medico-statistical information from — for the years 1953 and 1954..... 152
— The eradication of bovine tuberculosis in — 169
— Studies on ornithosis in — 55
— The incidence of pulmonary tuberculosis in — 1921–1953 173
— Tobacco consumption in —. I. 213
— Treatment of pseudarthrosis of the long bones in — 1
— Trends in Brucellosis in —.
I. Bovine Brucellosis 65
II. Human Brucellosis 68
— Tuberculosis control in — 161
- Dermatosis. Exudative diffuse and papular — .. 97
- Dextran glycerol glycoside 111
— Studies on the effect of — on the colloid osmotic pressure of serum in rabbits.... 117
- Diphtheria. The duration of immunity following — vaccination 70
- Drug. A new — effective on the central nervous system. Annotation 159
- E**ldon method. Blood grouping in a blood bank by the — 40
- Encephalitis following rubella 106
- Encephalitis. Rubella — 101
- Endocarditis. The treatment of subacute bacterial — 208
- Enzymatic adaptation in man 63
- Epidemic. The — of poliomyelitis in Greenland 1953 46
- Eskimos. Racial types among the — in Greenland 93
- F**acial nerve. Decompression of the — in cases of hemifacial spasm 56
- Foetus. On the protein content of the human — 143
- Frontal undercutting. Orbitomedial — in mental disease 10
- G**ranulocytes. On the morphological sex difference in neutrophilic and eosinophilic — 190
- Greenland. Poliomyelitis in — 241
— Racial types among the eskimos in — .. 93
— The epidemic of poliomyelitis in — 1953 46
- H**aemolytic transfusion reactions. The prevention of — 44
- Health systems. On —. I. 193
— On — II. 221
- Hemifacial spasm. Decompression of the facial nerve in cases of — 56
- Hepatitis. Cholecystography in patients suffering from acute epidemic — 8
- I**mmunity. The duration of — following diphtheria vaccination 70
- Interhuman transmission of ornithosis 51
- K**idney cells. Tissue cultures of trypsinized — from different monkey species 236
- Kidneys. Anemia in chronic diseases of the — .. 195
- L**acrymal sac. A case of carcinoma in — 92
- Lung-infiltrates. Teaching and checking of interpreters of fluorograms with a new phantom imitating — 187
- Lupus vulgaris. Treatment of — with calciferol alone 129
- M**anagement of the patient during mitral valvotomy 20
- Medico-statistical information from Denmark for the years 1953 and 1954 152
- Mental disease. Orbitomedial frontal undercutting in — 10
- Mitral valvotomy. Management of the patient during — 20
- Morbidity Survey. The Danish National — of 1950. VII 148
— The Danish National — of 1950. VIII 213
- O**rbitomedial frontal undercutting in mental disease 10
- Ornithosis. Interhuman transmission of — 51
— Studies on — in Denmark 55
- P**ernicious anaemia. Remissions in — 89
- Poliomyelitis in Greenland 241
— The epidemic of — in Greenland 1953.... 46
- Poliovaccination in Denmark in April–June 1955. I. 226
— II. 233
- Protein content. On the — of the human foetus 143
- Pseudarthrosis. Treatment of — of the long bones in Denmark..... 1
- Psychoneuroses. Suavitil in the treatment of — 140
- Pulmonary Tuberculosis. The incidence of — in Denmark 1921–1953 173
- R**adical types among the eskimos in Greenland 93
- Respiratory anomalies. Disturbances in the acuity of smell from — 61
- Rubella-encephalitis 101
- Rubella. Encephalitis following — 106

Sex difference. On the morphological — in neutrophilic and eosinophilic granulocytes	190	Groth-Petersen, E.	161
Smell. Disturbances in the acuity of — from respiratory anomalies	61	Grüner, A.	28
Social factors. The influence of — on the prognosis of cancer of the cervix uteri	31	Haagensen, N. R.	63
Suavitil in the treatment of psychoneuroses	140	Halmsted, O.	10
Syphilis. Uterine cancer and —	118	Hamtoft, H.	152, 213
Teaching and checking of interpreters of fluorograms with a new phantom imitating lung-infiltrates	187	Hansen, P. From	51
Tetanus. Agranulocytosis and thrombocytopenia in case of — treated with curare and chlorpromazine	87	Henningesen, E. Juel	233
— Chlorpromazine in the treatment of — ..	84	Henriksen, E.	208
Tetracycline. Clinical experience with —	28	Horwitz, O.	173
Thrombocytopenia. Agranulocytosis and — in a case of tetanus treated with curare and chlorpromazine	87	Hougs, W.	84
Thromboembolism. Incidence of — in surgical patients mobilized early	82	Iversen, E.	173
Thrombopoiesis	95	Jensen, O. Østergaard	140
Tissue cultures of trypsinized kidney cells from different monkey species	236	Johansen, S. H.	84
Tobacco consumption in Denmark. I.	213	Jordal, K.	40
Transfusion reactions. The prevention of haemolytic —	44	Jørgensen, J. Balslev	1, 93
Treatment of pseudarthrosis of the long bones in Denmark	1	Kettel, K.	56
Tuberculosis control in Denmark	161	Kieler, J.	158
Tuberculosis. The eradication of bovine — in Denmark	169	Kissmeyer-Nielsen, F.	95, 202
— The incidence of pulmonary — in Denmark 1921—1953	173	Kjerulf-Jensen, K.	8
— The treatment of extrapulmonary —	180	Kristensen, M.	68
Vaccination. The duration of immunity following diphtheria —	70	Lindhardt, M.	148, 213
		Lund, H.	73
		Lund, O.	10
		Magnus, H. v.	226, 236
		Magnus, P. v.	226, 236
		Mahneke, A.	92
		Marcussen, P.	129
		Neidhardt, F. O.	117
		Neukirch, F.	208
		Nevin, J.	10
		Nexmand, P.-H.	97
		Nielsen, H.	187
		Nielsen, K.	31
		Noschis, K.-W.	187
		Paaby, H.	82
		Paaby, P.	143
		Petersen, I.	226, 236
		Petersen, K. Birkum	236
		Plum, N.	169
		Riis, P.	190
		Røjel, J.	118
		Rønckjær, M.	226
		Scheibel, I.	70
		Schleisner, P.	101
		Secher, O.	20
		Stenderup, A.	202
		Sørensen, K. H.	111
		Sørensen, L. Bøge	51
		Thelle, P.	10
		Thomsen, A.	65
		Thomsen, H.	180
		Thorsteinsson, J.	101
		Tulinius, S.	233
		Tygstrup, N.	8
		Volkert, M.	55
		Zilstorff-Pedersen, K.	61

INDEX OF AUTHORS

Andersen, E. Wainø	84
Andreasen, P. H.	44
Astrup, P.	136
Baden, H.	20
Bastrup-Madsen, K.	202
